What Our Clients Say

I really enjoyed working with compushooter because I feel like they have my best interest at heart. They don't oversell and they just give me

what I need and things work. It works simply, nothing too complicated. So I will recommend Ccompushooter if you want your computer headaches put away and everything done simply.

Hi my name is Teresa Mandelin, I'm President/CEO of Southwestern Business Financing Corporation. I just wanted to say that

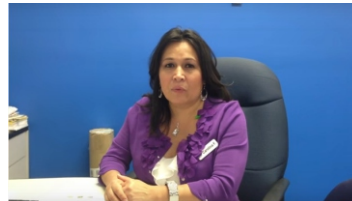

Compushooter has been the best thing we've done in all my years on this company. They are consistent, concerned and make sure that something is always handled immediately. I cannot recommend them enough and feel free to call me if you want further glowing reports.

Hi I am Dr. Andersen and I have been using compushooter for many years now and I think that they are amazing. I've got excellent, excellent

service. They go above and beyond what is expected. My standards are pretty high so that is a giant compliment.

Hi my name is Carolina Fuentes, Owner of Rapido Express Income Tax Service and I have been with compushooter for more than 10 years and I wanna

say that I am very happy and very satisfied about their service and especially. There is no other company that I am willing to trust with my information of my clients. We do income tax and accounting. Compushooter they are always there whenever I need them. If I have an emergency they respond immediately via emails, text or by phone. Their prices are very affordable and they will do whatever it takes to fix any problem. Without them, we will not be where we are right now.

I'm the managing partner of Arboleda Brechner. I have been working with compushooter for approximately 11 years. During that time I have

been thoroughly impressed by their professionalism and more importantly about the fact that they are cost conscious, timely and very responsive to all your needs. I highly recommend Compushooter.
